Mattco Forge is committed to meeting the needs of our customers, applicable requirements, and to continuously improving our quality management system.

Furthermore, Mattco Forge is committed to understanding and meeting the quality needs and expectations of our customers. Our quality assurance system concentrates on providing:

- Defect-free products and services to our customers.
- Continual improvement to all aspects of our quality assurance system, quality objectives, processes, equipment, and personnel.
- The incorporation of advanced technological approaches in our products and services.

The entire Mattco Forge team will adhere to this firm's quality policy, as well as the directives of the quality assurance manual and its supporting quality system documentation.

We will strive to ensure that customer satisfaction is achieved at all times.

The quality policy is communicated and understood within Mattco Forge and is reviewed for continuing suitability.
